The first British monarch to mark 50 years on the throne in a significant way was George III, followed by Queen Victoria.

Queen Elizabeth II has had significant jubilee celebrations in 1977 (for her Silver Jubilee), 2002 (for her Golden Jubilee) and 2012 (for her Diamond Jubilee).

Her famous words when she took on the role:

“I declare before you all that my whole life whether it be long or short shall be devoted to your service.’”

The resident involved in the accident mentioned in the Newsletter last month is fortunately recovering but naturally with lots of aches and pains and painful ribs. We wish her well. It seems she was indicating to turn into Exton when another vehicle attempted to overtake. The tractor at the scene was her father arriving to help. I gather the residents nearby were without telephone or internet connection, the new pole was erected 19th May.

HELEN RUTH PEAPLE

Passed away peacefully at home on 5th May 2022, aged 59 years. A funeral service was held on Wednesday 25th May, 1:00pm at St Peter & St Paul’s Church, Exton.

MARGARET OLIVER passed away during May formerly High Street, Exton, mother of Sharon, Lynne, Anne and Rachel, a former member of the Ladies Circle, and other village groups and always such a help when Ann Bell was running events in the village hall. A funeral is arranged for 15th June 2.30 pm Grantham Crematorium.

Our condolences to both families

A big thank you to everyone who gave bottles for the annual grand bottle tombola to be held at the Rutland County Show again this year. The money from this tombola raises funds for Citizens Advice Rutland to pay for Specialist Advisers for people of all ages living with long-term health conditions in Rutland and the surrounding community. Helpful advice has been going on since 2014 and besides medical advice the funds can also provide grants and benefit funding. The Rutland County Show is on Saturday 4th June this year so thank you all for your generous support.

Hopefully you will be there enjoying a good day out…..Terry Connolly

**The Rhinoceros**
The rhino is a homely beast,
For human eyes he’s not a feast,
But you and I will never know,
Why nature chose to make him so,
Farewell, farewell, you old rhinoceros,
I’ll stare at something less preposterous.

OGDEN NASH

Age Group: 9-12 years

**Fireworks**
They rise like sudden flowers
That burst upon the night
They fall to earth in burning showers
Of crimson, blue and white.
Like buds too wonderful to name
Each miracle unfolds,
And Catherine-wheels begin to flame
Like whirling marigolds.
Rockets and Roman candles make
An orchard of the sky,
Whence magic trees their petals shake
Upon each gazing eye.

JAMES REEVES
Art and design

A huge thank you to everyone in the local community who donated newspaper! We now have plenty, so there is no need to save us any more at present.

The picture this month shows some of the fruits of our creations from newspaper and modroc. The year 2 and year 3 children have been creating figures from Roald Dahl books as part of their sculpture work in art. These were created from the newspaper, covered in modroc and then painted. You can see: an oompa loompa, Willy Wonka and the enormous crocodile!

"A cooperative (also known as co-operative, co-op, or coop) is an autonomous association of persons united voluntarily to meet their common economic, social, and cultural needs and aspirations through a jointly-owned enterprise."

Would anyone be interested in setting up and running a village Co-operative?

This could involve many aspects of producing and selling anything to fulfil the above statement.

It would provide a platform to buy and sell home produce, services and goods so that everyone would benefit financially and sustainably.

There are now thousands of both large and small co-ops as there has been an upsurge in popularity over the last few years.
